The Sunset Ridge Junior Golf Academy consists of four consecutive sessions of PGA supervised instruction and practice.

We have excellent facilities with room for multiple stations and activities to provide new and experienced young golfers a great experience with plenty of hands on time in the game of golf.

The program focuses on basic skills and friendly competition in both long and short game as well as rules, etiquette and sportsmanship.

Loaner clubs are available if needed.

Participants must be able to walk and carry their own golf bag for as many as 9 holes.

The first 60-90 minutes of each day are spent learning the fundamentals of golf through drills and practice.

After the morning break the remaining time features on course sessions to practice course management, rules and etiquette.

Students should bring their own sunscreen, a water bottle and snacks.
