SCHEDULE:

- Alternating 9's each week of a 16-week (minimum) league season starting the last week of April (weather permitting). If you are off for a national holiday or weather cancellation you will resume on the opposite side the next week.

- Management reserves the right to change the rotation due to playing conditions, riding cart availability, outside tournament play, etc.

STARTING TIMES:

- 8 minute intervals.
- All leagues are guaranteed sufficient times to accommodate the number of players guaranteed above. We will adhere to your times as closely as possible but cannot guarantee them due to outside play, course conditions, weather, etc.
- Late arrivals for a league can either wait until the last league players of the day have teed off or go out onto the course and join their assigned group, making up un-played holes once all on-time play is completed.
- **All players must be made aware that they are pre-paying for a tee time for a particular night and that the greens fees on account will be applied every week regardless of attendance unless play is cancelled.** Subs are encouraged.
- All players must arrive at the golf course a minimum of ten minutes before their arranged tee times.

PACE of PLAY:

- We ask that all golfers play without delay.
- Course management reserves the right to require out of position groups to relocate to their correct position if they fall more than 1 complete hole behind.

RAIN DAYS:

- If weather is threatening or we have had heavy rains on previous days, we ask that the league administrator contact the pro shop.
- If our golf professional / course superintendent calls a rain-day we will do so at least one hour prior to your first starting time and will attempt to contact your league representative in advance. It will be up to your league to circulate word of cancellation to other league members.
- The league administrator can also call a rain-day and move that scheduled league night to an extension at the end of the season.
- Rain or inclement conditions are not automatically grounds for cancellation. If the course is open the league can play in any conditions outside of severe lightning but ultimately it is up to the league administrator to decide if a league plays or cancels.
- If the weather is severe/dangerous or the course is deemed unplayable by golf course staff, an additional week will be added to the end of your league schedule.
- Make-ups are allowed during the season on a different day or different time but must be made in advance and subject to availability of tee times.
- Any league nights that are not able to be made up will result in the funds for each player on account in the pro shop for use on individually scheduled play, merchandise, food, range, lessons, etc.

- Beverage cart and/or snack bar service will be available on all league nights.
- **Carry on of alcoholic beverages is illegal under NYS Law. Violators will have their league privileges revoked with no refund. League administrators please inform all league members of this zero-tolerance policy.**
