

## 2026 GOLF LEAGUE RESERVATION FORM

Sunset Ridge Golf Club is pleased you have chosen us to serve your golf group. We look forward to a successful 2026 league season. **Please read the following carefully, fill in all blanks, sign where indicated and return to as soon as possible.** Your league space will be confirmed once the form and a non-refundable \$100 deposit are on account with us. Please be as accurate as possible on your guaranteed number of players. If a range (i.e. 16-24) is submitted we can only reserve space for the lowest number submitted (i.e. 16). Full league greens fee payments (minus the deposit) will be due prior to league start date in the spring. A separate roster form and payment information form will be sent once space is reserved. **Starting December 1, 2025 all unreserved tee times will be made available to new leagues or leagues requesting a new day/time.**

## 2026 League Policies

### RATES:

- Greens fees for non-members for 9 holes are \$17 per player
- Cart fees on a per week basis are \$10 per individual league player. Carts can be purchased at a discount in advance for \$9 x # of weeks.

### REGISTRATION:

- Minimum twelve players per league.
- An accurate number must be submitted on the guaranteed number of players. There is ever increasing demand for league space and you may or may not be able to add players at a later date.
- Five-somes or larger groups are not allowed under any circumstances.

### SCHEDULE:

- Alternating 9's each week of a 16-week (minimum) league season starting the last week of April (weather permitting). If you are off for a national holiday or weather cancellation you will resume on the opposite side the next week.
- Additional weeks can be reserved if you prefer a longer season.
- Management reserves the right to change the rotation or start time due to playing conditions, riding cart availability, outside tournament play, etc.

### STARTING TIMES:

- 8 minute intervals.
- All leagues are provided the exact number of tee times to accommodate the number of players guaranteed above. We will adhere to your times as closely as possible but cannot guarantee them due to outside play, course conditions, weather, etc.
- Late arrivals for a league can either wait until the last league players of the day have teed off or go out onto the course and join their assigned group, making up un-played holes once all on-time play is completed.
- **All players must be made aware that they are pre-paying for a tee time for a particular night and that the greens fees on account will be applied every week regardless of attendance unless play is cancelled.** Subs are encouraged
- All players must arrive at the golf course a minimum of ten minutes before their arranged tee times.

### PACE of PLAY:

- We ask that all golfers play without delay.
- Course management reserves the right to require out of position groups to relocate to their correct position if they fall more than 1 complete hole behind.

#### RAIN DAYS:

- If weather is threatening or we have had heavy rains on previous days, we ask that the league administrator contact the pro shop. Please do not have league players contact the pro shop individually to ask if the league is still on.
- If our golf professional / course superintendent calls a rain-day we will do so at least one hour prior to your first starting time and will attempt to contact your league representative in advance. It will be up to your league to circulate word of cancellation to other league members.
- The league administrator can also call a rain-day and cancel the league night.
- Rain or inclement conditions are not automatically grounds for cancellation. If the course is open the league can play in any conditions outside of severe lightning but ultimately it is up to the league administrator to decide if a league plays or cancels.
- If the weather is severe/dangerous or the course is deemed unplayable by golf course staff, an additional week can be added to the end of your league schedule at the league admin's request.
- Full league (all players at the same time) make-ups are allowed during the season on a different weekday or different time but must be made in advance and subject to availability of tee times.
- Any league nights that are not able to be made up result in league-day rounds for each player on account. League-day meaning if your league was on Wednesdays you can play your unused rounds on any Wednesday for the remainder of the season.
- There are no refunds or carry overs for prepaid greens or carts fees.

#### FOOD & BEVERAGE:

- Beverage cart and/or snack bar service will be available on all league nights.
- **Carry on of alcoholic beverages is illegal under NYS Law. Violators will have their league privileges revoked with no refund. League administrators please inform all league members of this zero-tolerance policy.**
